

Producer Enrolment Checklist

Producer enrolment for this programme is governed by the award's Data Dictionary and Compliance Terms. The following fields are required — this is not a general contact form.

Required identifiers

FSA Farm ID	Must match your existing federal Farm record
Tract ID	The tract within that farm
Field ID	The specific field enrolled
State and county	As tied to the Farm ID
Producer name	Exactly as recorded on your USDA Business Partner record
Commodity	Pecans or specialty crop, with acreage and/or pounds
AD-1026	Conservation-compliance certification status
Subsidiary Print	Current-year print on file

Your data

The award requires that producers are told in writing how their data is collected, used, protected and shared. Any live enrolment system for this programme must present that disclosure at the point of collection and keep a record of the producer's acknowledgement.
